

# FISCAL YEAR 2023

## NEW YORK IMPACT REPORT

Wounded Warrior Project® (WWP) began in 2003 as a small, grassroots effort providing simple care and comfort items to the hospital bedsides of the first wounded service members returning home from the conflicts in Iraq and Afghanistan. As their post-service needs evolved in their transition to civilian life, we've adapted our programs and services to support warriors and their families.

Your support connects injured veterans to life-changing programs and services and transforms the way our nation's veterans are empowered, employed, and engaged in your communities.

The following statistics represent state-specific WWP program activity and impact during the 2023 fiscal year (10.01.22 - 09.30.2023)

## WWP IMPACT

Your support ensures warriors like Tim never pay a penny for WWP's life-changing resources – they paid their dues on the battlefield.

“My doctor gave me a list of things I couldn't do. Because of Wounded Warrior Project, I have since done every single thing on that list.”
