

FY25 GEORGIA IMPACT REPORT

Wounded Warrior Project® (WWP) is the nation's leading veterans service organization, dedicated to improving the total well-being of post-9/11 veterans. We help all post-9/11 veterans, active-duty service members, and their families achieve better health and thrive for a lifetime.

Our innovative programs and life-changing services, advocacy efforts, and partnerships make an impact for warriors in every state. Together, we're changing the way our nation cares for its veterans and ensuring that no warrior is left behind.
