

# GO LIVE AND RAISE FUNDS TO HELP VETERANS

*on their journey to recovery  
with WWP Stream to Serve.*

## ABOUT WOUNDED WARRIOR PROJECT® (WWP)

By donating, fundraising, or spreading the word, you can help our warriors get back on track and become a positive force in their communities.

- ★ The mission of WWP is to honor and empower wounded warriors.
- ★ Since 2003, WWP has been committed to post-9/11 wounded service members and their families, helping them achieve their highest ambitions.
- ★ WWP provides life-changing services in mental and physical health, career counseling, and long-term rehabilitative care — all at no cost to wounded warriors and their families.

## STREAM TO SERVE

Stream what you love. Give wounded warriors the support they deserve.

- ★ **Stream to Serve** is your chance to serve those who served us.
- ★ **Stream what you love** and change the lives of wounded warriors at the same time. Every \$150 you raise provides one mental health session for a veteran in need.
- ★ **Fundraising** through Stream to Serve helps ensure that warriors never pay a penny for WWP programs — they paid their dues on the battlefield.

## CAMPAIGNS

**Warrior Week** is a seven-day livestreaming event benefiting the injured veterans whom WWP serves. Streamers come together in honor of Veterans Day to raise awareness and critical funds so that WWP can provide life-changing programs to wounded warriors and their families.

**Capture the Flag** is a three-day livestreaming event held in honor of Flag Day benefiting WWP to help raise critical funds to provide life-changing programs and services to wounded warriors and their families.

## WHY YOUR STREAM MATTERS

The numbers speak for themselves, because not every warrior can. With the support of our community, we give a voice to those in need and empower our warriors to begin their journey to recovery.

**Every day, 44 service members** sign up to receive critical support and services provided by WWP.

**89% of warriors** experienced more than three injuries or health problems\*.

**95% of WWP registered warriors** sustained physical injuries that are considered severe — most experiencing more than one\*.

**1 in 3 warriors** struggle to get the care needed to overcome their invisible wounds, like post-traumatic stress disorder (PTSD) and depression. For every \$500 raised, at least three warriors will receive a mental health session.
